PROFILE

Computer Engineering student with experience in enterprise web application development, AI-powered applications, and scalable software solutions. Skilled in PHP, JavaScript, Java, Python, and modern web technologies.

EDUCATION

Vishwakarma Institute of Technology, Pune
B.Tech in Computer Engineering — Aug 2023 – Jul 2027
CGPA: **9.14/10**

WORK EXPERIENCE

DevOps Intern – Siemens Digital Industries Software — Jun 2026 – Jul 2026

- Developed enterprise applications for the Automation & AI Apps Portal (Jasper) using PHP and JavaScript.
- Built the CTB Analyzer application for CTB defect analysis, AI-assisted Root Cause Analysis (RCA), and reporting dashboards.
- Developed the AI Tokenomics application for AI token usage monitoring, cost analysis, approval workflows, and analytics dashboards.
- Integrated Single Sign-On (SSO) authentication and optimized application performance through efficient database queries and reusable PHP modules.

Software Development Intern – PineVox — Jul 2025 – May 2026

- Developed a responsive Next.js frontend for an internal billing application.
- Integrated REST APIs serving over 22,000 invoices for 500+ customers.
- Implemented secure SSH-based data transfer and improved workflow automation.

PROJECTS

AI-powered Dyslexia Learning Platform

- Developed an interactive learning platform using Next.js and Python with an EMNIST handwriting recognition model achieving 85%+ accuracy.
- Designed tracing exercises and personalized learning modules for children with dyslexia.

Virtual Operating System

- Developed a multiprogramming operating system simulator implementing paging, scheduling, interrupt handling, and virtual memory management.
- Simulated system calls, error handling, PCB management, and I/O operations using C.

TECHNICAL SKILLS

Languages: C, Java, PHP, JavaScript, Python
Web: HTML, CSS, React.js, Next.js, Tailwind CSS
Backend: REST APIs, Flask
Databases: MySQL, Firebase
Tools: Git, VS Code, Postman
Core: DSA, OOP, Operating Systems, DBMS, Computer Networks

LEADERSHIP

Website Secretary, Student Council, VIT Pune — Jul 2025 – April 2026

- Led a team of 15+ student developers to build and maintain the official websites for Vishwotsav and Vishwakarandak.
- Coordinated with organizers and developers to deliver features on schedule.

Aesthetic Coordinator, Event Planning & Execution Committee — Aug 2024 – Jun 2025

- Led a team of 50+ volunteers in planning and executing institute events.
